#### OTHER ITEMS

##### Chrome Book Policy Follow-up

26 Different students talked to about viewing inappropriate sites, parents Were called immediately, and all instances happened at home throughout the year. There were 6 repeat offenders, 2 – 3 time offenders. There have only been 5 since January. The filters are getting better daily.

Next year our school will be a one on one computer, with each student being issued a chrome book. Teachers are continually being trained on use of the computers in the classroom. Parents always have a choice as to the student use of the technology. If the parent prefers the chrome book not to go home, the student may check it in at night. Cyber bullying has not been a school issue.

The council felt the school should proceed with the chrome book usage as Planned. Parents need to be responsible to monitor the use at home. Other labs will remain as is in the school. There is the possibility that students may Keep the same chrome book throughout the three years.

### **Miscellaneous**

Cleaning of the school looks good. There are some minor winter cleanup issues, but they are being addressed.

Question about girl fights. There was only one during school, others were within the same social group and a result of social media.

Concern that the high school students are going down to the junior high. The problem is being addressed on both ends, since junior high students are also hanging out here.

### **SCC Elections**

Elections will proceed as in the past. There are two community positions open for next year. Members were encourage to nominate patrons for this opportunity to serve.

**Next Meeting Date** – A motion was made to cancel the May meeting. Motion: Tara, 2<sup>nd</sup>: Sheila, Voting: Unanimous. School Community Council will reconvene in September.

Motion to adjourn the meeting: Tara, 2<sup>nd</sup>: Sarah, Voting: Unanimous.

Thank you all so very much for your service and input throughout the year. You are AWESOME!
