Act- Teachers Salary, we need to measure the kids that are scoring the 17- 20, focus on them?
 Make a motion to move on, Katie Blake 2nd
 Do we need to pay for student to take the AP Test? Most agree we don't pay.
 Impact team, pay for our teachers to go to these conferences, It can be here at the school too, to keep it going. Math is doing it and English is starting, Have money for Peer coaching to go into goal number 2, action item, do without the funding, see how it goes.
 Hope Squad, councilors are the advisors, have teachers take over and pay a stipend, \$4,500. Is there any concerns for school improvement plan, is there concerns of proportions of money, how it's being distributed, feel like that the hope squad should be paid more.
 Add communications skills, soft skills, to goal #3 Sheila get together with Tona to write up goals. Add things to positive behavior supports, interventions at the first of the year, when it slower.
