School Improvement Plan Final review – See handouts.  
Trustlands final review – Signatures added – All is ready to go.

### OTHER ITEMS

Follow up of Proposal for Hat Policy Change - Jaycee has the document, knows what the next step is. It is now in her ballpark.

College Tour Results - The bus tours have been very successful the last few years. We definitely want to continue with them during testing times. Other school could be invited to join with us, after PHS students have filled up all we need. A BIG thanks goes out to our awesome teachers for their support. See handout for data.

ACT Online Results - Everything went well for the test. Teachers and students were pleased. The scores will be interesting to see.

Early Morning Classes – Students earned 7.5 credit this year in these classes. All members felt that it was not advertised well enough last year and so we needed to offer it again.

Empty Parent Position – Laura Petty resigned and so we need a member for one year only. We will put this position on the ballot for next August.

ACT Prep class results and data can be seen on the accompanying handouts. The class has proven to very productive for all those who take it.

Next Meeting Date – Tuesday, April 11, 2017, 3:00 PM, Conference Room
