Welcome/Pledge  
Tara Makin

Ben explained the changes in the agenda format. Those items removed are part of the at large items, but do not need to be discussed monthly. The intent of these changes is to make more time for community concerns and suggestions.

Comprehensive Guidance  
Joy Benson

List of Payson High School Sterling Scholars

PLAN Testing at the high school was very successful, only seven students were not tested. The students came and did their best. When the tests come back we will meet with the sophomores and explain how these score impact the ACT. We will show them how to use the career information to help them be career and college ready.

Flex time is being used weekly to help students learn and remediation. The majority of the students use this time to their advantage. The computer labs are always full.

Summary of 2012-2013 Final Report  
Ryan McGuire

See the final report on the next page.

Ryan showed a power point he had made that showed how this report and the data Gathered would impact the classroom and student learning.

Other Items

Club Approval  
Ben Ford

New trainer/20 years of experience (49ers)/works through IHC

He would like to start a Sports Medicine Club. Students would be able to do observations on all levels. Motion - Sheila  2nd - Tara  Voting - Unanimous

December Meeting Proposal  
Ben Ford

No meeting will be held in December. Motion - Sheila,  2nd - Carma, Voting - Unanimous

Next Meeting: January 15  Wed. 3:00 P.M. in the Library
Resource Student Information

We have the highest percentage of resource students in the district, 145 students. This doesn’t include the severe students. We have 4 full time teachers who teach English, math, and study skills. Some classes are pullout classes (class size 8-15), and others are inclusion classes (two teachers in a regular education classroom).

Parents want to know how the resource department can get at least one classroom set of ipads for the department. Several resources were mentioned: district grants, money designated from Trustlands, department money, etc. Resources need to made available for these students to achieve to the max.

Meeting dismissed at 4:20.

Next Meeting: January 15  Wed. 3:00 P.M. in the Library
