Career and College Week and Month very successful! Parents liked having it combined with Parent/Teacher Conference. (Suggestions from parents to consider: A sign-in sheet at each teacher's room, so teachers could tell who came even though they didn't see the teacher. Continue with the classroom visits vs the arena type conference. Possibility of having report card incentives as part of the food truck rewards.)

Latino Outreach Program discussed. Counselors are meeting with church groups throughout the community to reach Latino student's parents. So far this has been very successful, especially getting these kids into college and help with financial aid.

#### Trustlands 2015/16

Ben Ford

Reviewed one to one computer use. This program has been so beneficial to students and teachers. The benefits far outweigh the costs. Chrome books are being utilized by all students. Looks like the junior high may be getting on board in the future. This coming year will be somewhat the same budget.
