The Winter Luau was successful. Money was made at the event sponsored by the PTA.

“Answers for Teens” presented by Johnny Covey, just before the Christmas break had some negative feedback with only a few positive comments. The adults attending were disappointed. The program will not continue next year.

MEETING PROCEDURES/ SCHOOL COMMUNITY COUNCIL TRAINING
Ben Ford
New SCC handbooks were distributed.
Members have been given the opportunity to network with others at the SCC Conference being held on January 24, 2013. A Compliance Checklist, SCC Timeline, and Parliamentary Procedure Guidelines were given to each member. The council was reminded of the importance of following these guidelines. A motion was made to accept and use this information, which is already being used for the most part. Motion – April 2nd – Julie Voting – Unanimous.

OTHER ITEMS / ISSUES / CONCERNS
Debbie Apgood
Heating system has had some problems, but problems are being resolved. If there are still concerns students or faculty need to let Mr. Ford know.
Lights in the south parking lot are still coming on at weird times. The district thought the problem was resolved. Ben will get the district out to look at the timer again.
The dance locker room on the north is dirty. Ben will contact custodial staff to see what needs to be done.
There was concern over the way the auditorium looks after practices and rehearsals. When the next group meets it is a mess. It is hard to know when the auditorium has been used, but if Von is contacted in the morning, he will make sure it is cleaned up. The community (PCT) is not respectful of building. The trade-off is we take care of the maintenance of the inside of the building and they take care of the outdoor things (football and baseball).

Motion to Dismiss – Julie 2nd – Carma Voting - Unanimous
