- Awards Night- May 14th at 6:30pm (For seniors)

Principal Items:

- Help teachers to encourage students to try their best on the SAGE test for accurate results.
- Encourage kids to not opt out of SAGE testing; that affects the overall score for the school.

Trustlands:

- When presenting Trustlands, a school improvement plan is required and encouragement.

School improvement Plan:

- Encourage students to score 18+ on the ACT
- Get more chromebooks
- HOPE Week/ Training HOPE squad members
- Decrease student failure by 5%
- Increase student enrollment by 5%

Ideas for school improvement:

- Work on creating a more loving and accepting environment- this could possibly solve the attendance issues that PHS is having.
- Allowing PHS clubs to involve other kids into their activities will increase student involvement and excitement. (Lunchtime activities is an awesome opportunity for that to take place)

Items to discuss:

- Emergency/school safety plan: Lockdown went successfully April 9, 2018. Seminary was included in this drill to ensure that those kids would be equally as safe as the ones inside of PHS. *Work on helping kids stay quiet during drill.
