

# *We Care - We Excel*

*The mission of Payson High School  
is to maximize every student's academic potential.*

## *Belief Statements*

1. Each person is unique and has individual worth
2. ALL students can learn and prepare to be lifelong learners.
3. Each person has rights with accompanying responsibilities and accountability
4. Optimal learning takes place in a climate where safety, caring, respect, trust, and high expectations exist.
5. Optimal learning takes place when there is a perceived need, benefit or relevance to life.
6. Finding meaning in work performed contributes to the quality of life.
7. The family is the foundation of our society with education as a shared responsibility of the individual, home, school, and community.
8. Communication skills are essential for success.
